

submitted or (2) official personnel determine sufficient information has been made available so as to perform the requested service. A record that sufficient information was made available shall be included in the record of the official service.

(b) *Request requirements.* Requests will be considered filed on the date they are received by official personnel. A record shall be maintained for all requests.

(1) *Reinspection services.* Requests shall be received (i) before the grain has left the specified service point where the grain was located when the original inspection was performed; (ii) no later than the close of business on the second business day following the date of the original inspection; and (iii) before the identity of the grain has been lost. If a representative file sample, as prescribed in § 800.82, is available, official personnel may waive the requirements pursuant to this subparagraph. The requirements of paragraph (b)(1)(i) of this section may be waived only upon written consent of the applicant and all interested persons. The requirements of paragraph (b)(1)(ii) and (iii) of this section may be waived at the request of the applicant or other interested persons. The requirement of paragraph (b)(1)(ii) of this section may also be waived upon satisfactory showing by an interested person of evidence of fraud or that because of distance or other good cause, the time allowed for filing was not sufficient. A record of each waiver shall be included in the record of the reinspection service.

(2) *Review of weighing services.* Requests shall be received no later than 90 calendar days after the date of the original Class X or Class Y weighing service.

§ 800.127 Who shall perform reinspection or review of weighing services.

Reinspection or review of weighing services shall be performed by the agency or field office that performed the original service.

[50 FR 45394, Oct. 31, 1985]

§ 800.128 Conflicts of interest.

Official personnel cannot perform or participate in performing or issue an official certificate for a reinspection or a review of weighing service if they participated in the original service unless there is only one qualified person available at the time and place of the reinspection or review of weighing.

[50 FR 45394, Oct. 31, 1985]

§ 800.129 Certifying reinspection and review of weighing results.

(a) *General.* Except as provided in paragraph (a)(1) of this paragraph, official certificates shall be issued according to § 800.160 and the instructions. Except as provided in paragraph (b)(2) of this section, only the result of the reinspection service shall be reported.

(1) *Results of material portion sublots.* When results of a reinspection on a material portion do not detect a material error, they shall be averaged with the original inspection results. For purposes of this section, a material error is defined as results differing by more than two standard deviations. The averaged inspection results shall replace the original inspection results recorded on the official inspection log. Reinspection results shall replace the original inspection results recorded on the official inspection log if a material error is detected. No certificates will be issued unless requested by the applicant or deemed necessary by official personnel.

(2) *Reporting review of weighing results.* When the review of weighing service results indicate that the original weighing results were correct, the applicant will be notified in writing. When the original weighing service results are incorrect, a corrected weight certificate or, if applicable, a corrected combination inspection and Class X weight certificate will be issued according to the provisions of § 800.165.

(b) *Required statements on reinspection certificates.* Each reinspection certificate shall show the statements required by this section, § 800.161, and applicable instructions.

(1) Each reinspection certificate must clearly show (i) the term "Reinspection" and (ii) a statement identifying the superseded certificate. The
